

 **ParkMobile**® is SRRP's alternate pre-payment option for vehicles parked our daily parking spaces.

Only Visa and MasterCard may be used to pay for parking in SRRP's daily parking spaces using Parkmobile's mobile app. Connecticut sales tax is included in the \$5.32 tickets issued on vehicles occupying an unpaid daily parking space. **It is best to pay immediately after parking.** There is a **10 minute grace period** for payment once the \$5.32 ticket is issued on a space, based on the time on the ticket. **Be sure to pay for correct space.**

- The pay stations are marked with stickers providing the website to download the app and a toll free phone number.
- App users can register up to 5 vehicles and 5 users, and use the app to pay by **space** for parking in SRRP's 116 regular daily parking spaces and 13 handicap daily parking spaces.
- Stratford Parking Enforcement (SPE) will use hand-held electronic devices to determine if the app has been used to pay by the **space** for parking in daily parking.
- Enter the zone number correctly (**2785**) to ensure your **space** to be identified as paid.
 - It is on the green Parkmobile signage located in SRRP and on each pay station. Use it to ensure your payment by **space** is accurately recorded for SRRP's daily parking spaces.
 - **Park first** in any empty daily parking space and then pay for your parking

space in the app or at a pay station before leaving your vehicle.

- There is no cost to register with Parkmobile or to download the app. In addition to the current \$5.32 daily parking fee, a \$0.35 transaction fee is currently charged each time you purchase parking, making a total payment of \$5.67.

The Parkmobile toll free number to reach their automated system is 877-727-5832.

Register online at www.parkmobile.io .

Download the app through your device's app store or at www.parkmobile.io and then register through the app.
