PANELISTS

■ Dr. Vivian Argento

Dr. Argento is the Executive Director for the Geriatric and Palliative Care Service Line at Bridgeport Hospital. She is board certified in Internal Medicine, Geriatric Medicine, and Hospice and Palliative Medicine, and has attained fellowship status in the American Geriatrics Society. She cares for patients in her Trumbull office with a focus on patients with dementia and their caregivers and patients facing functional declines related to the aging process. She helps Bridgeport Hospital provide high quality Age Friendly Care and she oversees a multidisciplinary team of specialists that focus on providing whole person and family centered care to patients with serious illness and advanced age across all sites of care.

■ Ann Dyke, RN, MN, Injury Prevention Coordinator, Bridgeport Hospital

Ms. Dyke's primary focus is to ensure the safety of patients and people that she serves in the community, including educating seniors on how to prevent falls and injuries. She will speak based on her research into the efficacy of the vaccine.

Agencies on Aging – CT is here to serve you.

We convene a strong, inclusive, well-informed network of aging- and disability-related providers to support the needs of older adults and persons with disabilities and to advocate for policies that enhance dignity and independence.
